You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

IMPORTANT: We recommend that travelers take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

Effective for travel in May 2025, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS visa waiver, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

Single accommodations are limited and are available on a first come, first served basis.

When reserving single accommodations, be advised that single rooms in Italy are often smaller in size.

Triple and child accommodations are not available.

Travel with just 16-24 guests on this tour where a smaller group setting means a more personal travel experience.

Days of features are interchangeable.

****While on occasion you may be accommodated in more traditional hotels, the most part of your accommodations in Matera and Alberobello will be in 'scattered hotels' with rooms located in various buildings close to a central lobby and breakfast room. In order to fully experience the destination, these properties are located in areas where access is limited for large coaches. You will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. In 'scattered hotels' each room is unique, full of history, with standard amenities, and brimming with true local flavor. This is part of the fun!

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

In order to fully experience the destination, some of our hotels on these programs are located in smaller towns or on country roads where access is limited to large coaches. In these cases, you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area.

Smaller buses, which may not be lavatory equipped, may be used on this program. In this case, frequent stops are made during travel periods.

*The hike along the Path of Lemons and/or the boat trip to Maiori may be cancelled in case of inclement weather or adverse sea conditions. The hike is 2.4 miles (3.8 kilometers) long and involves multiple flights of stairs; a boat will be provided for travelers who prefer not to hike.

**The ferry boat service does not operate between November and March. During these months a substitute bus service will be provided. In case of adverse sea conditions, the ferry service may be suspended at any time, in which case a substitute bus service will be provided. Travelers prone to seasickness should take proper precautions.

***The gardens of Villa Cimbrone are only accessible by a pedestrian path that is made of approximately 200 large shallow steps. The distance from the village to the entrance of the gardens is 0.4 miles (650 meters). The same distance must be covered uphill to return to the village where the tour bus can meet you.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking

tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as Naples, Positano, Amalfi, Alberobello and Matera which requires ability to walk up and down hill on narrow, cobblestoned streets and negotiating stairs. For your comfort, we recommend bringing walking shoes. This level is not a fit for travelers who require mobility assistance devices.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Our air guests will arrive into Naples airport and depart out of Bari airport. All departure transfers will depart from Alberobello city center to the Bari airport.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

Lecce

Salento's Wine Country and Medieval Heritage

\$120 USD

Leave the town of Lecce behind and journey through Salento's wine country. Pass rows of vines and olive groves until you reach Otranto. Nestled in Puglia's easternmost corner, this quaint seaside town unveils a rich history: Greek, Romans, Byzantines, Ottomans, Spaniards, French all vied for control of this strategic port – Italy's gateway to the Levant and the Holy Land. The city's Aragonese Castle inspired Horace Walpole's *The Castle of Otranto* (1764), recognized as the first Gothic novel. Soak in the mysterious atmosphere during a guided walking tour of Otranto's treasures: the fortified walls, the mosaic-rich churches, the sudden views over the Mediterranean Sea. Your day continues at a local winery, featuring a tasting of Salice Salentino wine. This intense and full-bodied wine comes from the region's dark-purple grapes wine, known by the locals as "negroamaro" (which translates to "black-bitter"). Learn about the traditional techniques and productions as you sample the wine, followed by a delicious lunch. *Duration: Approximately 6 hours.* Please note a minimum of 10 passengers is required. Transportation is included.
